We've got it covered ...

Made in Germany

Powerful tow tractors for flexible indoor & outdoor operations

Our comprehensive range of industry and airport tow tractors is at home wherever heavy loads must be moved in safety. Available in various weight and size classes, with different power sources and transmission combinations, all ROFAN vehicles have one thing in common

– exceptionally long service life and reliability even under the harshest of operational conditions. High-quality preconfigured drive trains comprising standard components from German manufacturers guarantee the superb economic efficiency of all ROFAN products.

PowerHybrid

Rofan ZH 5

The fast, flexible PowerHybrid system is unique in providing diesel speeds outdoors and emission-free operations indoors. The Rofan ZH 5 delivers the goods in half the time.

PowerHybrid

Rofan ZH 4

This compact version of the ZH 5 brings all the advantages of PowerHybrid to the confined spaces of airport baggage rooms without compromising speed or flexibility.

Hybrid

Rofan BB 4

Rofan's classic hybrid. A dedicated 30 kW diesel generator boosts the range of operations and charges the on-board battery faster than any other hybrid on the market.

CNG/LPG

Rofan ZG 4

Eco-friendly solutions at budget-friendly prices. Our ZG tractors are equipped with low-emission, gas-fuelled engines. CNG, LPG or oilseed biofuel solutions available.

Diesel

**Rofan ZD 3 (3 tons)
Rofan ZD 4 (4 tons)**

Sturdy, efficient, eco-friendly, no-nonsense compact diesel tow tractor for flexible multi-purpose outdoor use. Great driver comfort for extended operations.

Diesel

Rofan ZDi (4–8 tons)

A best-seller! Robust diesel tow tractor with hydrostatic transmission for durable, heavy-duty outdoor operations. Proven reliability even under the harshest of operational conditions.

CrewCabs

Rofan DK 4

The DK 4 Crew Cab has space enough for 5 people and power enough for trailers up to 50 tons. Ideal for transporting ground crews and equipment to remote aircraft dispersal locations.

Industrial

Rofan Industrial Tractors

Proven for decades throughout the German heavy industry in a variety of applications. Numerous options available to meet the specific requirements of different industries.

Electric

Rofan Electric

Rofan electric tractor know-how is based on more than 20 years' experience in the manufacture of robust, reliable vehicles. New model Rofan Electric launching soon!
